Objective: To provide services as a trainer/instructor in martial arts - to further my career as a professional MMA athlete.

EXPERIENCE:

1992-Present	Tae Kwon Do (1st Degree Black Belt)
1998-Present	Sambo/Submission Wrestling
1999-Present	Muay Thai

I have been training for over 14 years and have competed in various events including: Tae Kwon Do, MMA, and grappling competitions.

I have wanted to get back into professional competition for sometime now, but have found it difficult to do so. I would love to start training on a regular basis again and would also like the opportunity to help train others. I believe that with my knowledge and experience, I will have a great deal to offer to those who enjoy training and learning as much as I do.

Sincerely,
